

23rd CHAPPEL BEER FESTIVAL - COMPETITION

DESIGN THE LOGO FOR THIS YEAR'S BEER FESTIVAL GLASS

Here is an opportunity to use your skill to design the Logo for this year's Chappel Beer Festival Glass

GUIDELINES

The design **MUST** combine the Festival themes of **Beer** and **Railways (at Chappel)**. Successful Logos in the past have also included an element of humour; also the simplest designs are often the best!

The **Beer** theme could feature such Beer-related items as Casks / Barrels, Taps, Handpumps, Brewing Vessels, etc.

The **Railways (at Chappel)** theme could feature any of the Railway Vehicles, Buildings or Structures at Chappel. Visit the East Anglian Railway Museum's website "www.earm.co.uk" to give yourself a few ideas, or pay a visit to the Museum (at Chappel & Wakes Colne station, near Colchester, Essex), to see for yourself.

No Copyright Material may be used, i.e. all designs must be entirely your own work, and in entering them you are authorising us to use them (in whole or part) for the Festival Glass.

The design must be clear and readable at the size that it will be printed on the glass. This would be of approximately 5.0cm to 5.5cm in diameter (for a circular / oval Logo), or of similar height and width (for a square / rectangular Logo).

Subject to availability, the type of Glass that we plan to use this year is an oversized (22oz) Conical, which is the same type that we have used for the last few Chappel Beer Festivals.

NB: You can incorporate the text "23rd Chappel Beer Festival" into your design (if you wish), but if it is not included, then our printer would add it, around the border.

PRIZES

Apart from the prestige of knowing that their design has been taken home by many of the thousands of visitors to the Chappel Beer Festival, the designer of the Logo that we feel best-combines the dual themes of Beer and Railways (at Chappel), will receive some prizes, e.g. a Festival 'T' Shirt and a Festival Glass, each with their Logo. It is our intention to display the winning entry on the Chappel Website and present the prizes to the successful designer at this year's Festival (8th - 12th September). Please advise us if you do not expect to be able to collect your prizes in person during that period.

If more than one Logo is judged to have successfully-combined the dual themes of Beer & Railways (at Chappel), then we reserve the right to choose one of these to use for this year's glass and hold-over the other successful design(s) for use at future festivals. Prizes for any designs that are held-over would be awarded at the Festival at which the Logo is used.

The decision of the Judges is final and no correspondence will be entered into.

TO ENTER THE COMPETITION

E-mail a draft of your design (attached as a ".jpg" or ".pdf") to us at "chappel@essex-camra.org.uk", on or before June 1st 2009 (when the competition closes). Please put "**Chappel Glass Competition**" as the 'Subject:' of your e-mail and ensure that you include your name and e-mail address, so that we can contact you.

Please bear in mind that (if selected), you will have to finalise your design (taking into account any modifications that we may request) and return it to the same e-mail address by July 1st.

Thank you in advance to all entrants, we will only be in contact with those whose draft designs we feel can be successfully worked-up as a Glass Logo.

DISCLAIMER

In the unlikely event that the Festival does not take place this year, this competition will be null and void.
